Dear Neighbors,

Since the deadline for boards and commission applications is Friday, and I want YOU to consider applying, I'm sending this out a day early. Here's what's happening in this busy month.

1. **Heart of Golden-** This is the redesign of the 7+ acre city owned land east of Ford Street and on both sides of 10th street replacing the Miller/Coors office building with municipal uses. It is HUGE, and will be a decades long impact on Golden. A virtual meeting will be held on March 1st (see register link) at 5:30pm and an In-person meeting is scheduled for March 9th at 5:30pm in City Council Chambers, both meetings are opportunities to provide feedback on the latest plan for the corridor.

2. **CoorsTek Redevelopment** - Five City Blocks, downtown redevelopment. That is also HUGE. Now that the application for zoning change is at planning commission I am unable to comment. But YOU CAN. Due to some good public input so far, the

applicant has requested a delay until April 6th of their hearing. There will be opportunities during March to participate in a public dialog about this space. Please realize that this is not a pro-forma process from my perspective. It is a chance to provide your opinions and potentially have them impact how this property is developed over the next 10 years or so. I assume the link to the application will be updated with details.

3, *Boards and Commissions* - Please consider applying to open positions. The deadline to apply is March 4th, with interviews on April 5th. Here are the open positions. If you have applied or have questions about the commitment, please let me know.

4. *Building Codes and Zoning* - Let me be clear about my views, ***I support the direction of the new Form Based zoning code***. Watch a fewer than three minute video I made on how to provide your input. You can still provide input. The timing looks like trying to adopt in late April to May timeframe.

New Blog posts on Public Comments, Retiring Police Chief and more.

If you have input for city council, please use councilcomments@cityofgolden.net.

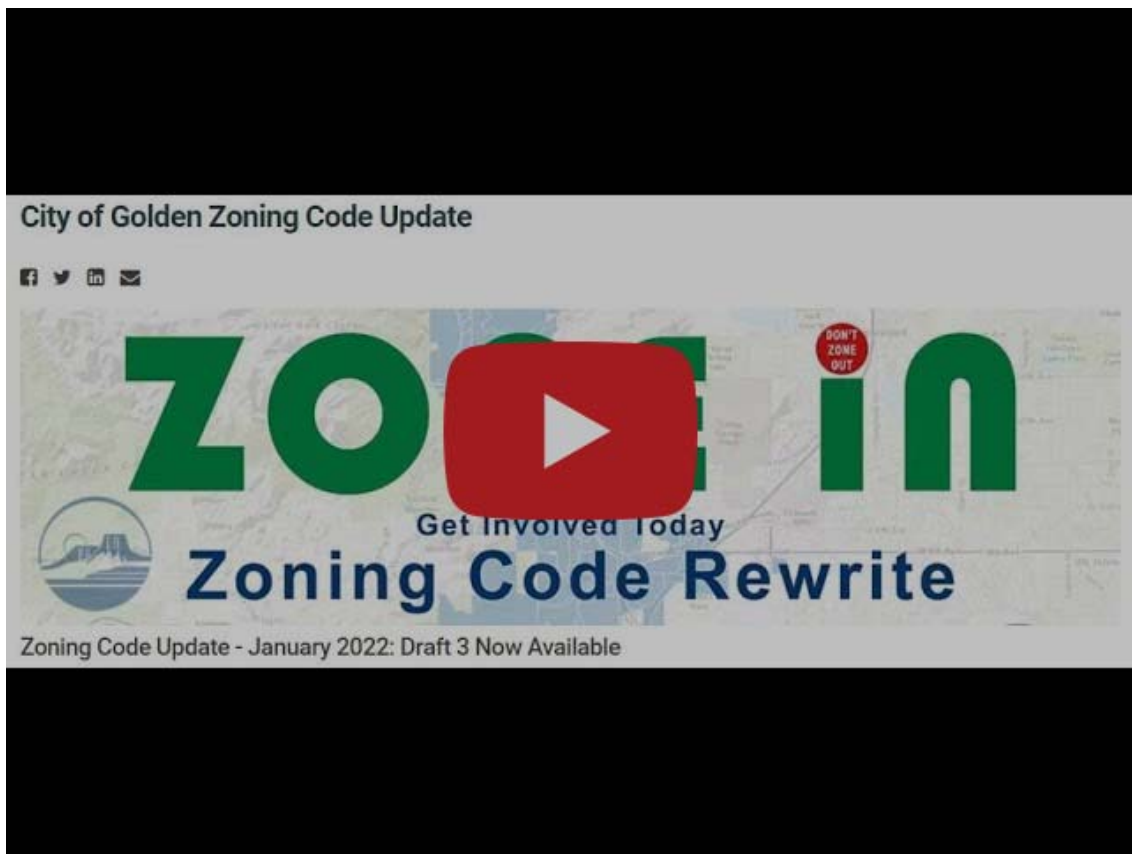

Always feel free to reach me at my website, set up a meeting. Let's run, walk or bike together if you'd like!

Peace,

Don

Feel free to forward this to friends or neighbors who may like to get more information.

Want to know even more? Two other councilors have websites too, JJTrout and Bill Fisher

This three minute video shows you how to find, map, and provide input on the new zoning code.
